

## Pinedale Anticline Transportation Task Group Meeting

Meeting minutes for 06/28/05

Board Room Sublette County Library, Pinedale, Wyoming

- Attendees, see attached form. Charles Price, Richard Kail, Kevin Williams, Bob Maxam and Bill Wadsworth. Clint Gilchrist general public.
- Radar system will cost approximately \$19,000 for installation of a single unit. Government regulations require it goes out to bid.
- Road signs for the roads will need to be ordered through the BLM sign shop in Rawlins, WY.
- WYDOT has offered to help Sublette County with a transportation plan through a formal letter. County commissioners need to respond to WYDOT by June 14, 2005.
- WYDOT will be able to do some of the traffic counts at the seven sites the TG has identified.
- Need a plan so that the radar traffic counter will do the most good and be productive.
- Speed limit signs should be getting posted on the “major” roads in the Pinedale Anticline by the Rocky Mountain Safety council.
- John Linn, Sublette County Commissioner looking at possible road route from Industrial Park to the Mesa Road.
- Question was asked how to add to or replace members of the TG. (TG has control over this, just need to inform PAWG and keep the member numbers of the TG reasonable.
- PAWG had requested that the TG look at monitor the number of culverts and maintenance schedule to make sure they are in proper working condition.
- TG needs a pipeline representative (need the expertise of the piping of natural gas, condensate and produced water).
- Next Transportation TG meeting, to be determined at a later, Sublette County Library at 1 p.m.
- Meeting adjourned:
